Consent and Authorisation

- **I, the undersigned, hereby declare and affirm that:**

I am the parent/legal guardian of the youth named above (hereinafter referred to as "Child"), who is under my care and responsibility.

I hereby consent and give authority to the participation of my Child in the scheduled youth activities of the Camp, and all other activities.

I hereby declare and affirm that my Child is physically fit to take part in the Camp's activities and my Child has no known illness or adverse medical condition that would render him/her unfit to participate therein, other than the information specified in the medical information above.

I shall immediately advise the organisers in writing, should I discover any illness, adverse medical condition, or any other physical defect that would render my Child unfit to participate in the recreational and sporting activities of the Camp.

I shall notify the organisers immediately in case I revoke my consent to the Camp for this event.

The nominated adult who will be responsible for my child at the summer camp, and will also be there for the whole duration of the camp is:

Name: _____

Signature: _____

Date: _____

Authorisation for Medical Treatment

I understand that in case of medical emergencies involving my Child, I shall be notified right away. In case any of my provided contact information is unreachable, I authorise the organisation to call the doctor indicated above or 999 as required for medical attention for my child.

- Name of Parent/Guardian

- Contact Number

- Signature of Parent/Guardian and date
